

Advice for our guests concerning Corona-Virus SARS-CoV-2

Dear guests,

We are delighted to inform you that almost all Covid measures have now been withdrawn by the authorities. This means that many of the rules for your stay with us are no longer in place. Here are the main points:

1. There is no need to wear a mask anywhere in our premisses. Of course you may wear one in the hotel or breakfast room should you wish to do so.
2. There is no longer a need for testing or for proof of vaccination.
3. Despite the above, please complete fully your details at on-line check so that, in the event of a corona outbreak, we have the data to conduct a follow-up.
4. Please air your room or apartment for at least 10 minutes two or three times per day.
5. While in the hotel please respect personal distancing as much as possible. This is especially requested at breakfast, when several guests are in front of the buffet or coffee machine at the same time. Your patience in this matter is appreciated.

We wish you a pleasant stay and thank you for your cooperation!

The Seufferth Family
